

QuantNexa CRM — Team Roles & Lead Management Flow

Comprehensive Operational Guide: Role Permissions, Public Lead Entry, Telephony Call Recording, Document Verification, and Student Enrollment.

Core Operational Process:

- Student Side:** Student fills basic contact info on Instagram/Facebook/Website and exits. The student does NOT enter the CRM.
- CRM Side:** Lead automatically lands in the CRM. The assigned Counsellor calls the student (call recorded), discusses course/batch choices, verifies documents, and completes enrollment.

1. Team Roles & Permission Hierarchy

Role	Primary Responsibilities	Portal Access & Permissions
Super Admin	Overall operational control, team performance audit, system configuration, master financial reports.	Full access to all leads, call recordings, revenue data, user role management, and automations.
CRM Admin / Marketing	Manage marketing campaigns (Instagram/FB/Google), create public enrollment forms, track lead sources.	Access to Campaigns, Lead Ingestion API, Analytics, and Lead Allocation rules.
Team Leader	Supervise team of Counsellors, monitor call quality, re-assign pending leads, approve fee discounts.	Access to Team Leads, Call Recordings audit, Performance metrics, and Follow-up schedules.
Counsellor	Call assigned leads, record calls, discuss course/batch options, verify documents, enroll students.	Access to Assigned Leads, Click-to-Call, Document Verification, and Student Conversion.
Admissions & Finance	Verify final document compliance, manage installment payment plans, issue GST receipts & Student IDs.	Access to Student Accounts, Payments, Invoice generation, and Admissions register.

2. Step-by-Step Lead Execution Flow

STEP 1: PUBLIC LEAD FORM SUBMISSION

STUDENT SIDE

- Student sees our ad on **Instagram, Facebook, Google, or Website** and clicks **http://localhost:5173/enroll**.
- Student fills basic contact info: **Full Name, Mobile Number, Email, and City**.
- Student submits, sees a simple **'Thank You! Our counsellor will call you shortly'** message and exits.
- Note:** Student does NOT enter or log into the CRM portal.

STEP 2: CRM INGESTION & COUNSELLOR ASSIGNMENT

SYSTEM AUTO

- Lead details automatically land in the CRM under **Leads (/leads) & Pipeline (/pipeline)**.
- System automatically assigns the lead to a Counsellor, sending an instant alert notification to their dashboard.
- Assigned Counsellor opens the Lead Profile page to begin follow-up.

STEP 3: OUTBOUND CALL & AUTOMATIC CALL RECORDING**TELEPHONY RECORDING**

- Counsellor clicks the '**Call Lead (Record)**' ■ button inside the CRM lead profile.
- Call connects to student's mobile and is **automatically recorded in HD audio**.
- The **recorded audio file** is saved under the lead's profile and on the central **Calls Page (/calls)**.
- **Team Audit:** Super Admin, Team Leaders, or other Counsellors can click '**Play**' ■ to listen to the call audio anytime.

STEP 4: COUNSELLOR CHOICE SELECTION & DOCUMENT CHECK**COUNSELLOR WORKFLOW**

- During/after the call, the **Counsellor makes and updates all specific choices inside the CRM:**
 - Selects exact **Course & Batch** (Full-Stack, Data Science, AI, Morning/Weekend batch).
 - Verifies uploaded **10th, 12th marksheets, Aadhaar ID, and photo** under Documents Tab.
 - Applies agreed **Scholarship Discounts / Installment Plan**.

STEP 5: OFFICIAL STUDENT ENROLLMENT**ENROLLMENT COMPLETE**

- When student agrees to enroll, Counsellor clicks '**Convert to Student**'.
- Status changes to **Enrolled**, a permanent **Student ID** (e.g. *QN-2026-8942*) is generated.
- Student portal credentials are dispatched automatically via **WhatsApp & Email**.
